A technical cross-section drawing of a roof assembly. The drawing shows a sloped roof structure with a large, light-colored dome-like structure above it. A green drainage channel is shown installed within the roof structure, highlighted by a red rectangular box. The channel is connected to a vertical pipe on the right side of the drawing. The roof structure includes various layers and components, such as insulation and structural elements, shown in different shades of gray and white. The drawing is a detailed technical illustration, likely for architectural or engineering purposes.
